SDF Grantee Call 3 Rwanda

Dear Sir/Madam,

Re: Resumption of SDF Call 3 Short-term training

Reference is made to the contract signed on February 7th, 2020 between the Workforce Development Authority (WDA) and your institution/company for implementation of SDF short-term training on Rapid Response, Skills Upgrading, Internships and Apprenticeships.

Reference is made to our letter No. WDA/303/2020 of June 8th, 2020 providing permission to institutions/companies that were ready to provide such training while observing instructions/measures provided by the Ministry of Health to stop the spread of COVID-19 and our letter No. WDA/315/20 of June 16th, 2020 postponing the training until further notice.

Reference is also made to the Readiness Assessment conducted from July 8 to 17, 2020 to assess the readiness and compliance of COVID-19 health measures among the SDF Call 3 grantees and monitor on-going training for grantees who were given permission to train by Rwanda Food and Drugs Authority because they were doing essential services.

Based on the above, I am pleased to inform you that, the following **61 institutions/companies (attached)**, have been given permission to resume/start training effective from Monday **August 17, 2020** on condition to strictly abide by measures against the spread of COVID-19 (Frequently Washing hands, wearing face mask and social distancing). For any specific concern, please contact UWAMAHORO Sandrine at: 0788742648 or email SDF Secretariat, at sdf2rwanda@sdfwanda.rw for assistance.

Yours Sincerely,

**Eng. Pascal GATABAZI
Director General, WDA**
